OWENS AND FORD TAKE DETECTIVE LESSONS

J. O. Ford and State Senator J. C. Owens are to use a slang expression "all in." Yesterday Ford and Owens chaperoned a large crowd of children at the Exposition, the day being "Key Day at the Exposition." When it came time to leave for home quite a number of the children had disappeared.

Ford and Owens grasped a bit of literature entitled "How to be a Sleuth in Fifteen Minutes" and up until a late hour were rounding up children.

"Some job, believe me," Ford explained last night. And Owens as he wiped the perspiration from his brow admitted that it certainly was.

WEST SIDERS TENDERED SERANAD

Taa ras boom te ay.
The sweet notes of a trombone echoed through the morning air.

It was a warm and it was a merry day on Washington avenue. "Shiver my timbers," remarked officer Oliver Wylie "must be a morning parade."

Wylie's new thoroughbred pointer pup heard the notes and sent up several plaintive shouts at the moon.

"This sufficiency," reemanded Wylie "Something must come."

So Wylie galloped toward the direction of the sound and took John Mainwell, a colored musician into custody. Mainwell declared he had "just blown in" from Antioch and that he was on his way to San Francisco.

He was cautioned to confine his musical efforts to afternoon concerts.

CHARITY WILL BENEFIT BY BIG GAME TODAY

Today Richmond fandom and citizens in general, will dig down in their jeans and extract the necessary admittance fee for the big game at Luce's Luce Park. It's the day of the big charity baseball game, the proceeds of which will go toward the Christmas fund of the Elks lodge.

The Richmond Elks and Telegraphs of San Francisco will be the contending parties and those who desire to see a good game of baseball should gather at the First street pasturage.

Everything is being contributed, and it is expected that club will realize considerable money for the benefit of the unfortunate. It is a good cause, and it is certain that Richmond fandom is always ready to aid.

Herman Teller, chairman of the committee on arrangements announced last night that everything had been made ready for a large afternoon entertainment. Herman was lined up, considerable talent to give interesting sidelights on the game and the fans can rest assured that they will get more than the worth of their money in baseball and in fun.

The admission fee remains the same. One quarter of a dollar will admit anyone, large or small.

Bill Luce, manager of the club was running around in circles last night making final arrangements for the baseball end of it. All of the members of the club are contributing their services gratis. Let's make it the biggest crowd of the season.

Remember it's the last game the Elks will play on the local lot this season.

COMPANY FAILS TO LIVE UP TO AGREEMENT: MEN EXPLAIN THE SITUATION

Failure of the Wester State Pottery company at San Pablo to abide by an agreement made with their men has resulted in the men refusing to work. President Menzies of the national body will confer with the officials of the company tomorrow or Tuesday and it is expected that the situation will be settled.

The company in bringing employees from the east guaranteed them transportation to and from work as an inducement to have them come west. The matter has not been taken up officially by the union. The company is at present shipping its material with the assistance of the office force and of the company.

A committee of the men, sixty of whom have left their work composed of J. Shirley, B. Banner, M. Heath, T. Duffy, C. McCue and Joseph Merritt has issued the following statement.

For the past week the pottery at San Pablo has been closed down owing to the failure of the firm to live up to its promises to its employees with regard to transportation

from Richmond to the pottery, a matter of three miles. When the pottery was first opened it was the offer of the firm to transport its employees from Richmond to the plant free of charge and which was done for 15 months. At the expiration of that time, the company decided to quit doing this and decided to transport the men from the car terminus. This was continued for some time. Then the company quit holding this and began to operate a jitney bus which would carry 12 persons from Richmond to the pottery at one load at a cost of 5 cents per man each way. With the season approaching the company wishes to revert to the old plan of meeting the men at the car terminal at San Pablo and to charge the men 5 cents per round trip for the ride. The men are dissatisfied with the way they are being handled in this matter and think they see in the near future where they will be cut out of free transportation altogether.

Now as there appeared in a Richmond paper an article which might mislead the public, the employees feel that they ought to put the true

SAN PABLO COUPLE WED AT CEREMONY YESTERDAY

In the presence of friends and relatives the marriage of Miss Lent Davilla, daughter of Mr. and Mrs. Davilla of San Pablo and Tony Paria of the same place, was solemnized yesterday at high noon at the St. Paul's Catholic church by the Rev. Father Porto, pastor of the church.

The church was decorated with colors of the season. Mrs. L. Vargas and Mrs. L. Luis acted as bridesmaids, while G. Vargas and Joseph Rosa, attended the groom. The bride was given away by her father.

Just before the people of this city we are aware that the slogan of Richmond is "boost" and we think that it is our duty that the public know that some of its manufacturing companies getting people to travel 300 miles on certain promises which offer opportunity for them to live in Richmond and then failing to keep such promises with the idea of making the men live near the pottery. Now the men feel that they have a kick coming as living out there would curtail their liberties which is the proud boast of this country to its citizens.

With regards to the published report that the Pottery Union has refused to sustain the men in their contention, such is not the case. The men do not look upon this as an organization matter and have not asked the union for assistance, but are prepared to stand on what they believe to be their personal rights, and on the promises of the company made in Trenton, New Jersey in the presence of F. Hutchins, vice president of the N. B. of O. P.

CALIFORNIA FEDERATION OF LABOR

To the Central Labor Councils and Local Unions of California:

Greeting: Pursuant to instructions of the late convention the Executive Council of California State Federation of Labor respectfully directs your attention to the following resolutions and earnestly requests consideration and action upon same:

"Whereas, The past few years of business depression have worked great hardship upon the garment-making industry on the Pacific Coast greatly decreasing the membership of the local unions in this state; and

"Whereas, Unscrupulous dealers in the East have made the Pacific Coast a dumping ground for prison-made and sweat-shop garments; and

"Whereas, The selling territory of the garment factories on the Pacific Coast is necessarily limited to a comparatively small area; therefore, be it

"Resolved, That the California State Federation of Labor, in convention assembled, do hereby urge upon all affiliated unions to appoint or elect label committees, whose duty shall be at all times to see that their members patronize the union label, and also urge the purchasing of garments bearing the union label and made in California."

"Whereas, The Tobacco Workers' International Union have had on the market for years a Union Label attached to all tobacco, snuff and cigarettes manufactured by members of the Tobacco Workers' International Union; and

"Whereas, The patronage of the Union Label is one of the most potent factors for the promotion of the highest aspirations of our entire labor movement; therefore, be it

"Resolved, And it is hereby and herein declared, that it is the rightful duty of all members of every craft and calling wherever organized, when making purchases of any of the necessities of life, to demand Union Label products, thereby giving employment to Organized Labor in preference to unorganized; and be it further

"Resolved and Declared, That as Union Labeled tobacco, snuff and cigarettes of all classes and character suitable to the taste of mankind, can now be secured simply by our demand for them, 'Labor, in-convention assembled,' in Santa Rosa, Cal., October 4, 1915, now pledge our honor as Union members to a concentrated and consistent effort in demanding that the Blue Label of the Tobacco Workers' International Union shall be affixed to all purchases of tobacco, snuff and cigarettes we buy hereafter."

Your attention is also directed to certain unfair Glove Manufacturers at Milwaukee, to-wit: Ellsworth & Thayer Co., O. C. Hansen and the Milwaukee Glove Co. These firms have reduced wages and several hundred workers in all branches of the trade are on strike. When purchasing gloves see that they bear the Union Label.

Fraternally,

EXECUTIVE COUNCIL,

Then there will be Mandel & Nagel, another Empire Act with great promise of vying with the headliner first chief attraction. The two musical artists appear as street musicians and it is only a little while until they are recognized as quality players.

Other acts will be Weill & Jones the dreadsnaughts of vaudeville and Bertha D'Aubigny, "The California Nightingale."
